## PUBLIC INSTRUCTION

### 1. GENERAL SCHOOL AIDS FUNDING LEVEL

Provide \$60,000,000 in 2007-08 and \$90,000,000 in 2008-09 for general school aids. Compared to the Joint Finance version of the budget, this would be a reduction of \$19,319,200 in 2007-08 and \$66,075,200 in 2008-09.

	Chg. to JFC
GPR	- \$85,394,400

### 2. REVENUE LIMIT PER PUPIL ADJUSTMENT AND DISTRICT HEALTH INSURANCE PROVISIONS

Set the per pupil adjustment under revenue limits equal to \$200 in 2007-08 and 2008-09, unless a school district meets certain conditions, in which case the current law adjustment (\$264 per pupil in 2007-08 and an estimated \$270 in 2008-09) would apply. Require school districts (including those that have already settled their contracts) to bid out their health insurance, and specify that if the district chooses the lowest bid, the higher per pupil adjustment would apply. Require OCI to verify that districts have bid out their health insurance.

*Handwritten notes:*   
 } ie. keep current law  
 } thereafter

### 3. CHANGES TO HEALTH CARE COVERAGE

*Rev* Incorporate the provisions of Assembly Bill 110, which would generally allow a district to unilaterally change its employees' health care coverage plan provider if the benefits remain substantially the same and cost savings will result. Specify that any cost savings would not have to be passed along in the salary offer under the qualified economic offer.

### 4. REVENUE LIMIT INCREASE FOR SCHOOL SAFETY EXPENDITURES

*Rev* Delete Joint Finance provisions providing a revenue limit adjustment for certain expenses for school safety expenditures.

### 5. REVENUE LIMIT INCREASE FOR TEACHER MENTORING ACTIVITIES

*Rev* Delete Joint Finance provisions providing a revenue limit adjustment for certain expenses for teacher mentoring activities.
